

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Dear Michael Powell,

Some of us would like to have our media remain unbiased and free from the interests of big business. Please do go against your better judgment and take away regulatory checks on media consolidation. The general public would be very much indebted to you.

Thanks.
